Snohomish WA, 98296

Dear Future Grizzly Football Booster,

Thank you for your interest in supporting The Glacier Peak Football Program. The Grizzly Gridiron Club exists solely to support the members and coaches of the Glacier Peak Football Program, and to provide members of our community the opportunity to support OUR Team. We are excited to begin our second year at the new high school and to continue the momentum we created during our successful inaugural season!

We would like to invite you to become a member of THE GRIZZLY GRIDIRON CLUB. We have several levels of membership in order to accommodate various levels of support.
